Motivation

Why Beamer?

Does anybody need an introduction to Beamer? I don't think so.

Example of a Theorem

> **Theorem**
>
> *The quick brown fox jumps over the lazy dog.*

Verbatim

Example (Putting Verbatim)

```
\begin{frame}
\frametitle{Outline}
\begin{block}
{Why Beamer?}
Does anybody need an introduction to Beamer?
I don't think so.
\end{block}
% Extra carriage return causes problem with verbatim %
\end{frame}
```

Example of the \cite command to give a reference is below: Example of citation using [Label1, 2010] follows on.
